WHAT IS ECHO?

ECHO is a truly unique Catholic retreat experience, rooted in St. John Paul II's Theology of the Body. **Traditionally a week-long retreat**, this 'mini' version beautifully provides a taste of the full ECHO experience. Combining dynamic talks, prayer and sacraments, daily Mass and Adoration, small group discussions, artistic expression, and authentic community, ECHO takes participants on a journey to answer the deepest questions of the human heart. Questions such as: *Who am I? What is my vocation? How can I truly find happiness? What is God's plan for my life?*

WHO SHOULD ATTEND ECHO?

ECHO is open to young adults who are between **18-35 years of age**. ECHO is open to all states of life: single, married, consecrated, priests, and religious. It is also a great retreat for catechists, teachers, missionaries, and anyone else who desires to share God's plan for human love with others.

TESTIMONIALS:

"I can't thank you enough for this life changing week. Please run another! It's sparked a fire in me that I hope never goes out, and **has framed my vocation, womanhood, and sexuality** in a totally new way for me."

"As a new Catholic, I loved meeting other young Catholics and **witnessing the 'family of faith.'** It was very moving and inspiring."

"I'm incredibly grateful to absolutely everyone involved in ECHO...it is an experience **I will never forget** and hope very much to be able to attend again."

"When I came to ECHO, I wasn't sure what to expect, but of all the many retreats I have been to over the years this one tops them all! **I have never quite experienced the heart of the Father in such a tangible way...**If you're looking for a retreat to hear and find perhaps where God is calling you...this is the best place."
